

We offer you some options to get to the hotel from the airport, but unfortunately, none of them is free:

1. We can arrange a taxi – through our contracted company – to pick you up. The price is approximately 22,31 €. In this case, we need the flight number, the city of origin, and the terminal where the plane arrives. This way, the driver will wait for you with an assigned sign at the exit. Taxi drivers accept credit cards and euros as well. If you wish to pay this way, please indicate it in the email as well.
2. You can take a taxi at the airport itself; the company is Fotaxi, and they charge 19.46 €. Since we have no agreement with this company, we do not take responsibility for it.
3. You can purchase a ticket for the Airport Shuttle bus – there are several passengers getting off at different hotels. The price is approximately 7.78 € per person. For more information, you can visit the following link: www.minibud.hu
4. You can take bus 200E towards Kobanya-Kispest, and once you reach this stop, you can transfer to the Blue metro line towards Újpest until you reach the Ferenciek tere stop. From there, you should walk for about 2 minutes. This journey takes around 1 hour. You can see all schedules and routes at the following links:
