Cultural & Singular

## *Eurostars Hotels*

---

This is one of the hotel chains with the greatest potential and growth in the past few years, especially in the urban four and five-star hotel sector. They are characterised by their unique, one-off hotels, their location in the centres of big cities, their meticulous interior design, and their preferential commitment to the world of culture. It currently has a portfolio of over 86 hotels in 50 destinations all over the world.

*Come for business stay  
for pleasure*

## *Exe Hotels*

Exe hotels chain is a selection of hotels oriented to demanding travelers. Midscale hotels, mainly urban and endowed with optimal functionality, they prioritize the quality of its services. The chain currently has a portfolio of over 45 hotels all over the world, with a presence in the main European and South American capitals.

## *Own brand hotels*

---

These hotels are represented under an independent name and they make up a directory of more than 25 hotels spread all over the world.

It is a group of hotels that have the most exclusive comfort and a comprehensive service list to provide the guests with. One of their main features is the huge variety of spaces for holding any kind of event, from a business meeting to a massive feast.
